Terms: COD

Scope Belger Cartage Service will work as directed to rig out one 20,000lb machine from Francis Tutlsa Vo-Tech and load onto customer's truck or onto Belger's truck.

\$1,548 Price to load onto customer's truck truck. (M-F between 7am and 3pm)

Price excludes waiting time outside of Belger's control. An additional \$395 per hour demurrage will apply.

\$400 Truck and trailer rate will apply if machine needs to be loaded onto Belger's truck.

4 hour minimum will apply

Conditions:

- 1 Cancellations require a 4 hour notice to avoid a 4 hour minimum charge.
- 2 This quote is dependent upon availability of the equipment at the time of project's start date.
It is the customer's responsibility to provide accurate weights and dimensions for all the components that will be lifted. The proposed use of the crane and/or the equipment is subject to change in the event information is received that renders the current proposed format ineffective and may change all fees included in this quote.
- 3 Free, clear, and dry access with sufficient room to rig up and down is to be provided to Belger Cartage Service, Inc.
- 4 It is the customer's responsibility to contact all utility companies, and power lines must be de-energized or booted, and legal distances from the crane or any part of the load to the power lines shall be strictly maintained.
- 5 All Electrical and Mechanical disconnect and reconnect is excluded unless noted otherwise in Scope of bid.
- 6
- 7 This estimate is valid for 30 days after the date of this quote
